Sir:

This is in response to the Notification of Non-Compliant Response dated July 5, 2005. Applicants filed a Response to Restriction Requirement on April 28, 2005 in response to the Office Action dated April 1, 2005. However, as specified in the opening paragraph of the Notification of Non-Compliant Response, the applicants failed to elect a species within the elected Group.

In response thereto, applicants repeat its election of Group I (claims 1-6), and applicants also provisionally elect to prosecute the species of Embodiment 2 (figure 3) (claims 2 and 3).

Accordingly, election is specifically made to claims 1-3, of which claim 1 is believed to be generic to some of the species. The applicant reserves the right to file divisional applications on the non-elected claims.
